

THRIVE ACADEMY · SELF-PACED LEARNING · FALL 2026

For school & district leaders

THREE COURSES · 60-90 MINUTES EACH · IMPLEMENTATION SUPPORT INCLUDED

Build a shared foundation *for* inclusive practice.

Give every educator the knowledge they need to better support students with disabilities.

THRIVE Academy is a new series of self-paced, interactive learning modules designed specifically for school teams. Whether you're onboarding new staff, strengthening inclusive practices, or building shared understanding across general and special education, these courses help every educator start from the same foundation.

THE COURSES

TAKE ONE · TAKE ALL THREE

COURSE 01

Writing High-Quality IEPs

What IDEA requires of an Individualized Education Program, and what makes one drive real progress.

PARTICIPANTS WILL BE ABLE TO

✓

 Apply quality criteria to every IEP section

✓

 Tell compliance apart from real progress

✓

 Lead a team process that holds up

COURSE 02

Foundations of Specially Designed Instruction

More than curriculum and accommodations: adapting what, how, when, and where.

PARTICIPANTS WILL BE ABLE TO

✓

 Distinguish SDI from accommodations

✓

 Match adaptations to student needs

✓

 Design for grade-level access

COURSE 03

Foundations of Special Education Law & Practice

What the law requires beyond timelines, and how it shapes daily decisions.

PARTICIPANTS WILL BE ABLE TO

✓

 Explain key IDEA requirements and intent

✓

 Apply the law to instruction and placement

✓

 Move from compliance to inclusion
